Our Mission:

Evanston Express is Evanston's Travel Softball Club for girls age 8 through 16. We are an EBSA (Evanston Baseball Softball Association) organization dedicated to promoting the sport of fast pitch softball and providing opportunities for motivated players to build on the skills they have attained in house league.

Travel softball provides girls who love the sport the chance to represent their home town while competing against similarly skilled players in surrounding communities during the late spring and summer months. We ask that players commit to the program from Memorial Day through the end of July.

We pride ourselves in the involvement of past and current EHS softball players as a strong part of our coaching program. We want every girl in Evanston to be in on the action, learning the skills, values, and just plain fun of fastpitch softball.

Evanston Express Travel Softball Club is run by Evanston Baseball and Softball Association.
SCHOLARSHIPS AVAILABLE AS NEEDED. Questions? Email Jori at jfwitt28@gmail.com.
